

# Locating Chesapeake Bay Water Quality Study Areas

Marina Baker

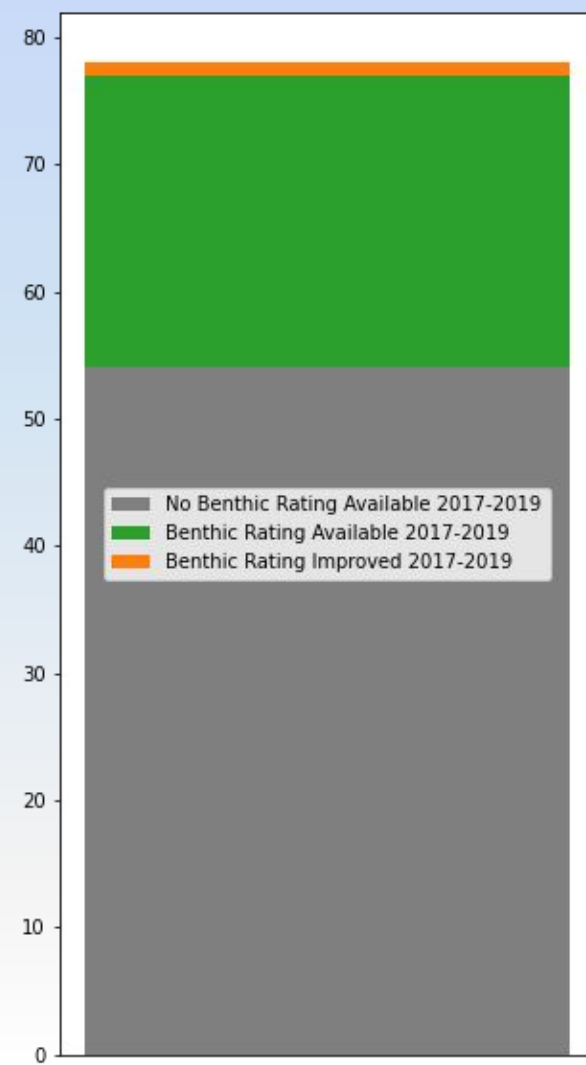

09/14/2020

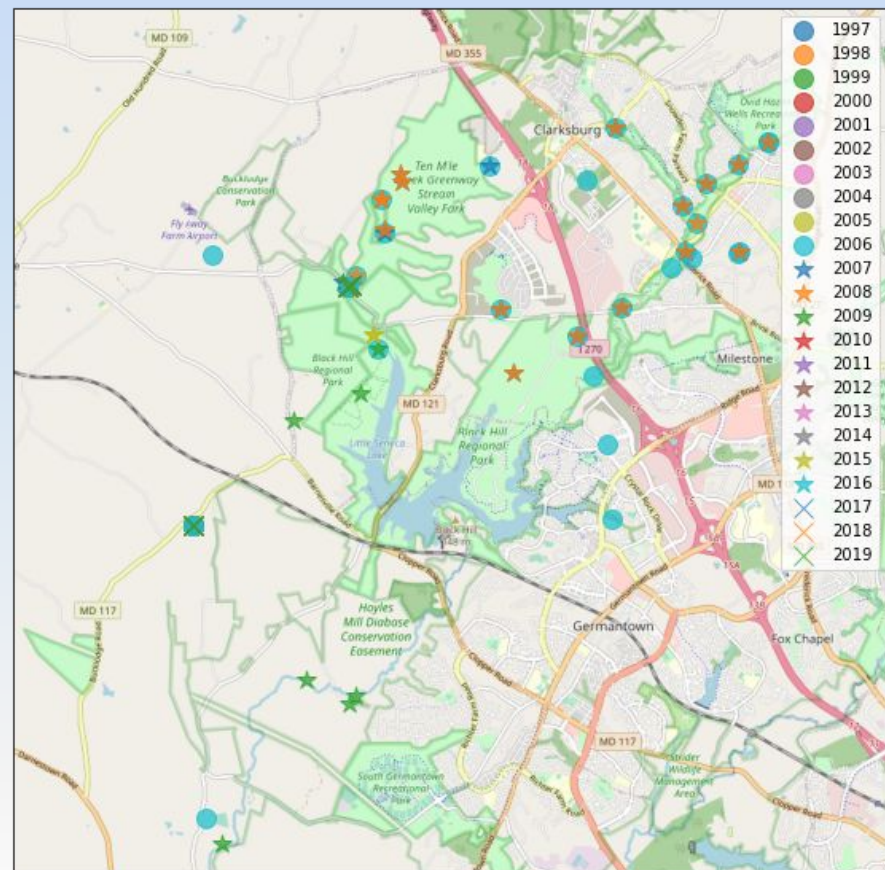

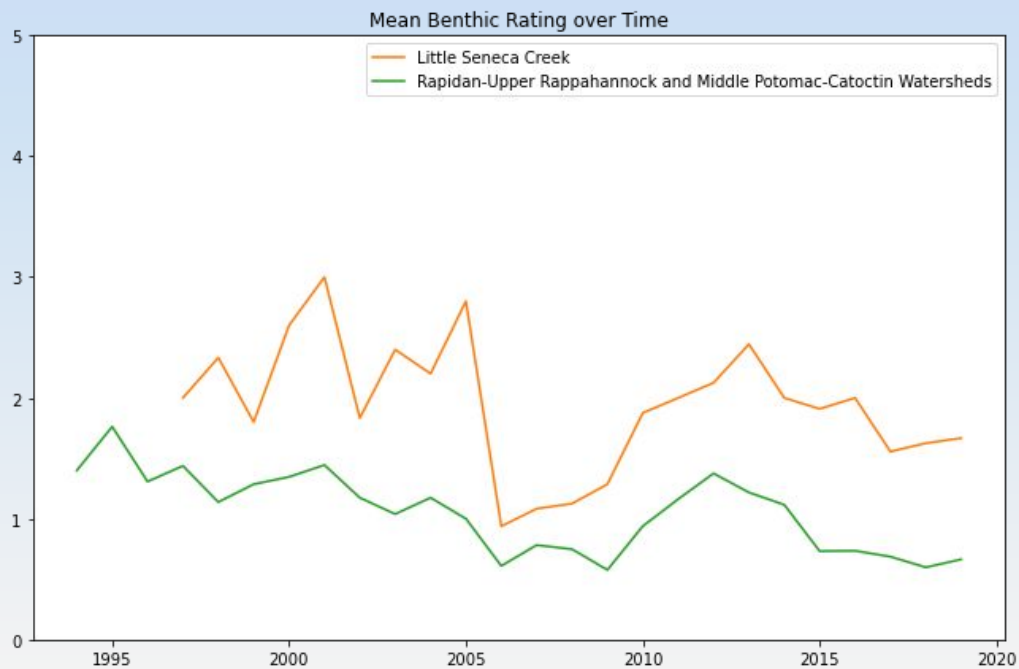

Middle Potomac-Catoctin

Rapidan-Upper Rappahannock

A map of Virginia and surrounding areas, highlighting the locations of three major military bases. The bases are color-coded: dark green for Fort Belvoir, light green for Fort Belvoir, and pink for Fort Belvoir. The map shows major cities, roads, and the Potomac River. The bases are located in the western and central parts of the state, near the Washington, D.C. area.

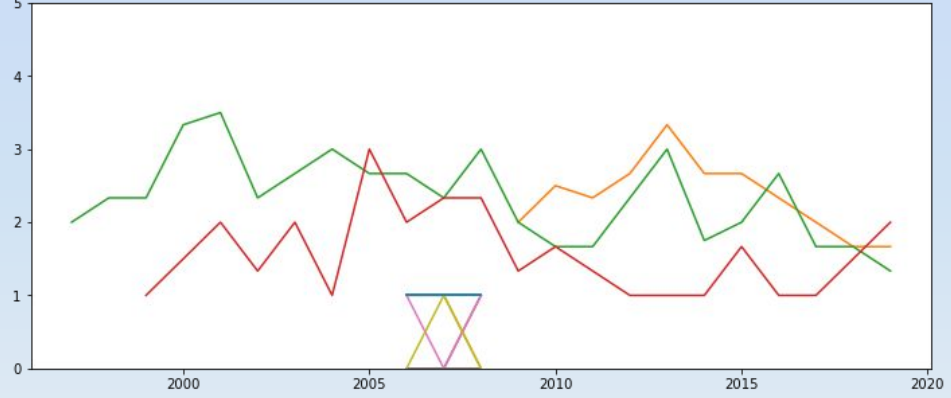

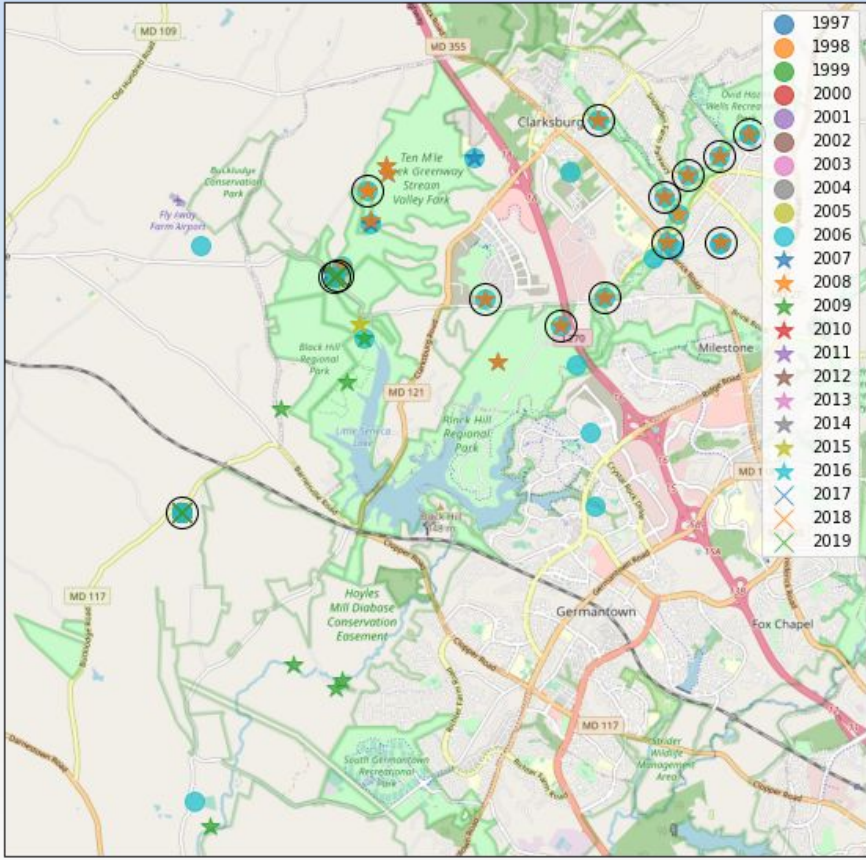

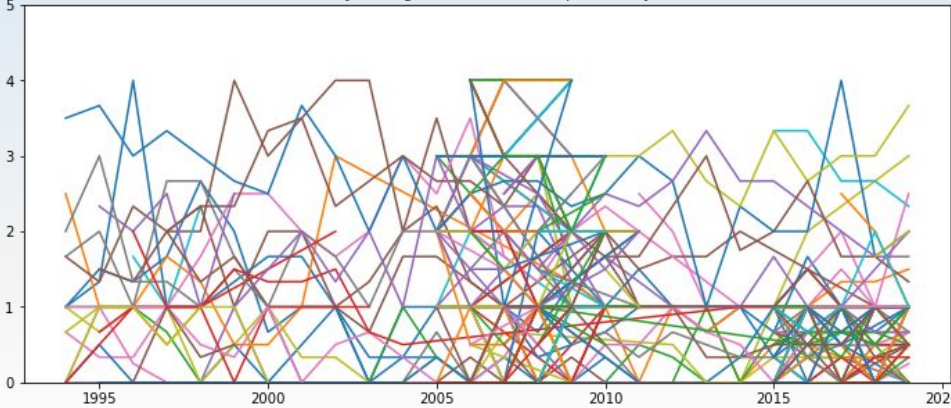

# Sites with repeated (>2x) benthic measurements can be used to construct and analyze time series
